Addendum 1:
Web Hosting
09-012

1. Will the school district positively receive and consider district wide, centrally managed, cost effective, safe and secure website hosting proposals?
 - a. Yes. The district would be interested in such proposals. Proposals should document the manageability of webpage content development and posting procedures from a district, campus, teacher and student perspective. Proposal should also document all functions and features associated with each offering. The table below should provide sufficient information for the proposer to develop a pricing matrix.
