Addendum 2:
Web Hosting
09-012

1. **Are you asking for the hosting of the “Blackboard, Inc” application or to provide Blackboard licenses?**
 - a. No. This RFP is not specific to Blackboard. The reference to Blackboard should be replaced with your proposed service offering.
2. **Is this an E-Mail Service with 9200 users?**
 - a. No. Per Addendum #1, scope of services can include website development, hosting and management, as well as, active communication and learning tools, including e-Portfolios.
3. **The proposal states (3.2) that three references are required. However, there are only two fields provided. Would you like for the vendor to add a third or only submit two?**
 - a. A minimum of three are required. Duplicate the page with two fields to increase space to add additional references, or provide your own reference documentation.
