Addendum 1:
Filtering 10-019

- 1) On page 8 under section 3.1
 - a. Is there an archiving requirement for email?
 - i. A. No. Archiving refers to access to historical filtering data and reports.
 - b. If so can you provide more details on feature sets and storage size that are desired other than bulk email storage?
 - c. Secondly on Remote Filtering, can you elaborate how many laptops you seek to provide remote filtering coverage for?
 - i. A. 2500
- 2) On page 12 and 13, can you elaborate on the following feature sets?
 - a. **Social Networking Filtering:** Are you looking to filter what is posted on Facebook, etc?
 - i. A. Yes
 - b. Please provide more details on what is required here.
 - i. A. Filter Access and content to social networking sites.
 - c. **Predator Blocking:** Are you referring to items such as phishing or stalking?
 - i. A. Yes
 - d. Please provide more details on what is required here.
 - i. A. Blocks out individuals that are seeking contact with students. Be it through chat rooms, Instant messaging, or Email.
 - e. **Remote Reporting:** Are you looking for remote access to reports, or reporting on what laptop users are doing outside the network?
 - i. A. Having the ability to look at reports from anywhere that you would have Internet access.

- f. **Stealth Options:** Are you referring to keeping the solution hidden from users? What does this mean to Pasadena ISD?
 - i. A. Allows district to run the filter in a stealth or hidden mode so no one knows it's there except the administrator.
 - g. **Daily Time Limits:** Are you referring to time quotas for certain type of web filtering, please elaborate?
 - i. A. District can set a certain time that a user is allowed to use the Internet.
 - h. **Blocking Sensitivity Settings:** Please elaborate.
 - i. A. Allows district to set levels at which the filter works. This gives the district the ability to block some, most or all of the questionable material.
- 3) Additional Items of interest:
- a. How many email accounts/ mailboxes will need to be covered by this RFP?
 - i. A: 50,000 students, 8000 Staff
 - b. Since existing contracts with web and email security vendors expire in early 2010, how will the 3-4 month gap of coverage be handles until this RFP is binding in July 2010?
 - i. A. The district will contract with awarded vendor for the term “outside of Erate” (pre 7/1/2010) plus erate year 13 (7/1/2010 – 6/30/2011) and only file for time within the year 13 erate window.
