Addendum 1:

11-025: NETWORK ELECTRONICS, CABLING, SERVERS

- 1) Cover page day reference is Thursday, shouldn't this be Tuesday?
 - a. Yes, it should read Tuesday, December 14, 2010
- 2) On page 36, (6.4.4.2.), RFP refers to Cabinets, what size?, 3' or 7'
 - a. In reference should to 6.4.2.2, the Rack 3' should read Cabinet 3'.
- 3) Commscope 760103002 does not appear to be a valid part number, can you confirm?
 - a. Commscope representative has verified this part number is valid.
- 4) What is the meaning of Read 180 Cable Runs?
 - a. These are labs.
- 5) What is the meaning of Plato Cable Runs?
 - a. These are labs.
- 6) Are the runs to be terminated in new drops or joining existing information outlets?
 - a. Most drops for labs will be replacement, others will be new. Provide alternate pricing for each.
- 7) Prints are showing some Labs with existing cabling but do not show the ones where new cable will be installed?
 - a. Most drops for labs will be replacements. In the case of new labs, use your estimator's campus average run estimation.
- 8) RFP mentions, for example, Bondy I.S. (60 Read and 42 Plato cable runs for a total of 102 runs) where is the lab or labs? Is it the same case for all schools?
 - a. The labs are distributed throughout each campus and yes, this is the same for all schools with labs identified in the RFP.

- 9) The Racks and Cabinets Section of the RFP, shows addition of Cabinets and Racks to 46 sites including the 16 where cable will be installed. Should we include ladder rack and connecting hardware for the Racks in the price? Also plywood for the Cabinets?
 - a. Yes, ladder racks and plywood should be included as a line item cost so this cost can be added or deducted based upon the specific rack requirement.
- 10) When adding a rack to an existing MDF or IDF are we to supply a vertical wire manager for 1 side or both sides of the rack and what size wire manager?
 - a. 2 sides requirement.
- 11) The 86 and 20 runs of 12 Strand armored MM/10 Gig Fiber should include enclosures on the pricing or just the fiber installed and terminated?
 - a. Yes, enclosures should be included as a line item cost so this cost can be added or deducted based upon the specific rack requirement.
- 12) Are the labs in all 42 schools?
 - a. Please read section 3.3.4 in RFP.
- 13) It appears that most drops for lab outlets should be replacement, should demolition of the old cables be included in the price?
 - a. No. Demolition should not be included in the price but should be an “added value” line item for the selection committee to consider.
- 14) Is the District requesting that the Vendor install the servers requested under Item 3.4 or will the District be managing the installation?
 - a. District will manage server installation.
- 15) Are the labs in all 42 schools?
 - a. Please read section 3.3.4 in RFP.

16) Can you help me reconcile NOC BOM 3.2.2 items included in bundles?

- a. Below are items identified in section 3.2.2 as bundled items. It is the vendors responsibility to ensure the BOM is complete and accurate for a turn key installation.
