RE: Addendum #1, RFP #05-2012

**RFP #05-2012 Cisco Electronics, Wireless, VoIP and Cabling**

The following question and answer response addendum is a compilation of clarification items and questions submitted via email since the release of the RFP.

Questions:

- 1. Where is it listed the equipment associated with section 3.2.1. Are we supposed to spec out (design and create a BOM for) this equipment in 3.2.1 ourselves or does Lamar Consolidated already own this equipment?**
  - a. Yes, the vendor is to create the BOM to meet or exceed the system requirements listed in 3.2.1.**
- 2. Where should 4.3 items be listed out from a product price and professional services standpoint. Are we to assume the product price and professional services price needs to go into the TOTAL COST WITHOUT FUTURE CAMPUS BUILDS pricing summary?**
  - a. Yes, it is expected that the vendor will provide detailed line item supporting documentation that is rolled up to the summary sheets in section 4.3.**
